Remember this.. I was weak and didn't fight back years ago.. this time will be different and you will serve time in prison. I will fight back this time! Remember it. Absorb it. You have threatened me again and I'm taking notice of your threat. I won't back down this time! The only reason you didn't serve prison time is because I didn't fight! See what happens if you try to harm me or have someone else on your behalf try to harm me. You put the threat out there. You think you're above the law but you're not! I have all of your voice recordings of when you threatened to take down the police and the judges. They will stop you.
